NIS Chapter IX Memo No. 47 (cont.)  
Sample of Revised Format for Aerial Photography Table

16 November 1959

MEMORANDUM FOR: NIS Chapter IX Subcommittee

SUBJECT: Aerial Photography Contributions to Chapter IX

Correspondence received from the Navy on 13 November 1959 indicates that the current treatment of aerial photography in Chapter IX satisfies the utilization requirements of the U.S. Navy Hydrographic Office and the Office of Naval Intelligence. No changes in format are therefore recommended.
